TEXAS
QUADRANGLE LOCATION

Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Topography from aerial photographs by photogrammetric methods
Aerial photographs taken 1957. Field check 1960

Polyconic projection. 1927 North American datum
10,000-foot grid based on Texas coordinate system, north central zone
1000-meter Universal Transverse Mercator grid ticks, zone 14, shown in blue

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs
This information is unchecked

Red tint indicates area in which only landmark buildings are shown

Area covered by dashed light-blue pattern is subject to controlled inundation to 532 feet

Revisions shown in purple compiled from aerial photographs taken 1968 and 1973. This information not field checked
Purple tint indicates extension of urban areas
