Mapped, edited, and published by the Geological Survey

Control by USGS, NOS/NOAA, USCE, and North Carolina Geodetic Survey

Topography by photogrammetric methods from aerial photographs taken 1977. Field checked 1979. Map edited 1980

Projection and 10,000-foot grid ticks: North Carolina coordinate system, (Lambert conformal conic)
1000-meter Universal Transverse Mercator grid, zone 18
1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 12 meters south and 25 meters west as shown by dashed corner ticks

Short dashed blue lines indicate elliptical bay outlines visible on aerial photographs

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

There may be private inholdings within the boundaries of the National or State reservations shown on this map
