Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1974 and planetable surveys 1976
Map edited 1978. Supersedes Bethany map dated 1952

Projection and 10,000-foot grid ticks: California coordinate system, zone 3 (Lambert conformal conic)
1000-meter Universal Transverse Mercator grid ticks, zone 10, shown in blue. 1927 North American datum

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

Where omitted, land lines have not been established

All except a portion of the southwest quarter of this map lies within a subsidence area
Vertical control based on latest avaiable adjustment
