Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin

Control by USGS, USC&GS, and U. S. Bureau of Reclamation

Topography by photogrammetric methods from aerial photographs taken 1961. Field checked 1963

Polyconic projection. 1927 North American datum
10,000-foot grid based on Nebraska coordinate system, north zone
1000-meter Universal Transverse Mercator grid ticks, zone 14, shown in blue

To place on the predicted North American Datum 1983, move the projection lines 5 meters north and 29 meters east as shown by dashed corner ticks

Revisions shown in purple and woodland compiled from aerial photographs taken 1984 and other sources
This information not field checked. Map edited 1986
