Mapped, edited, and published by the Geological Survey

Control by USGS, NOS/NOAA, and Los Angeles City and County

Planimetry by photogrammetric methods from aerial photographs taken 1963. Topography by planetable surveys 1923
Revised 1964

Polyconic projection. 10,000-foot grid ticks based on California coordinate system, zone 7. 1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue. 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 2 meters north and 85 meters east as shown by dashed corner ticks

Red tint indicates areas in which only landmark buildings are shown

This map lies within a subsidence area. Vertical control based on latest adjustment

There may be private inholdings within the boundaries of the National or State reservations shown on this map
