

Mapped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA
Topography by photogrammetric methods from aerial photographs
taken 1958 and 1962, and planetable surveys 1963
Polyconic projection. 1927 North American Datum
10,000-foot grid based on California coordinate system, zone 4
1000-meter Universal Transverse Mercator grid ticks, zone 10,
shown in blue
To place on the predicted North American Datum 1983 move the
projection lines 8 meters north and 88 meters east as shown by
dashed corner ticks
Red tint indicates areas in which only landmark buildings are shown
Fine red dashed lines indicate selected fence lines
North half of this map lies within a subsidence area vertical control
based on latest available adjustment

ROAD CLASSIFICATION
Medium-duty ——— Light-duty ———
Unimproved dirt ———
Interstate Route ———
Primary highway, hard surface ———
