RIO LINDA QUADRANGLE
CALIFORNIA
7.5-MINUTE SERIES (TOPOGRAPHIC)

Produced by the United States Geological Survey
Topography compiled 1949. Planimetry derived from imagery taken 1952. Public Land Survey System current as of 1967. Survey Control current as of 1949. Contours that conflict with updated major features are dashed.
North American Datum of 1983 (NAD 83). Projection and 1000-meter grid: Universal Transverse Mercator, zone 10 10 000-foot ticks: California Coordinate System of 1983 (zone 2) North American Datum of 1927 (NAD 27) is shown by dashed corner ticks. The values of the shift between NAD 83 and NAD 27 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software.
Dotted land lines established by private survey.
There may be private inholdings within the boundaries of the National or State reservations shown on this map.
