Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial  
photographs taken 1962. Field checked 1963  
Polyconic projection. 10,000-foot grid ticks based on Texas  
coordinate system, central zone. 1000-meter Universal  
Transverse Mercator grid ticks, zone 14, shown in blue  
1927 North American Datum. To place on the predicted  
North American Datum 1983 move the projection lines  
14 meters south and 34 meters east as shown by dashed  
corner ticks  
Fine red dashed lines indicate selected fence lines  
Revisions shown in purple and woodland compiled  
from aerial photographs taken 1979 and other sources  
This information not field checked. Map edited 1982

| ROAD CLASSIFICATION                                        |                                 |
|------------------------------------------------------------|---------------------------------|
| Primary highway, light-duty road, hard or improved surface | Secondary highway, hard surface |
| Unimproved road                                            | Interstate Route                |
| U.S. Route                                                 | State Route                     |
