

This is a detailed topographic map of Dallas, Texas, produced by the Geological Survey of Texas. The map features a dense grid of streets, with major thoroughfares highlighted in yellow. Key geographical features include Bachman Lake to the west of the city center and Love Field Airport in the central-western part. The map is overlaid with a coordinate grid, showing latitude and longitude values along the edges. A title 'GEOLOGICAL SURVEY' is visible in the top left corner. The map also includes various labels for parks, schools, and other local landmarks. The bottom of the map contains additional information, including a scale bar and a note about the map's projection and date.

This is a detailed topographic map of Dallas, Texas, published by the Interior Geological Survey in 1970. The map shows the city's street grid, major highways (Interstates 75, 30, and 40), and surrounding areas. Key features include Love Field Airport, Bachman Lake, and the City University. The map is overlaid with a coordinate grid, with latitude and longitude markings along the edges. The title 'INTERIOR - GEOLOGICAL SURVEY, WASHINGTON, D. C. - 1970' is printed at the bottom.

Mapped, edited, and published by the Geological Survey
Control by USGS and USC&GS

Orthophotomap prepared from aerial photographs taken Dec. 3, 1968. Topography from City of Dallas surveys 1954 and by planetable surveys 1958

Polyconic projection. 1927 North American datum
5,000-foot grid based on Texas coordinate system, north central zone.
1,000-meter Universal Transverse Mercator grid ticks, zone 14, shown in blue

UTM GRID AND 1968 MAGNETIC NORTH DECLINATION AT CENTER OF SHEET

SCALE 1:12 000

0 1000 2000 3000 4000 FEET
0 .5 1 KILOMETER

CONTOUR INTERVAL 10 FEET
DATUM IS MEAN SEA LEVEL
