Planimetry by photogrammetric methods from aerial photographs taken 1957. Topography by planetable surveys 1962

Polyconic projection. 1927 North American datum
10,000-foot grid based on Texas coordinate system, south central zone
1000-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue

Fine red dashed lines indicate selected fence lines

To place on the predicted North American Datum 1983
move the projection lines 19 meters south and
22 meters east as shown by dashed corner ticks

Revisions shown in purple and woodland compiled from
aerial photographs taken 1977 and other source data.
This information not field checked. Map edited 1979

Purple tint indicates extension of urban areas
