

Maped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA
Topography from aerial photographs by photogrammetric methods
Aerial photographs taken 1958. Field checked 1960
Polyconic projection. 1927 North American datum
10,000-foot grid based on Texas coordinate system,
south central and central zone
1000-meter Universal Transverse Mercator grid ticks,
zone 15, shown in blue
Fine red dashed lines indicate selected fence and field lines
where generally visible on aerial photographs
This information is unchecked
To place on the predicted North American Datum 1983
move the projection lines 19 meters south and
23 meters east as shown by dashed corner ticks

Revisions shown in purple and woodland compiled from
aerial photographs taken 1977 and other source data
This information not field checked. Map edited 1980
