Produced by the United States Geological Survey

Control by USGS, NOS/NOAA and USCE

Compiled by the Defense Mapping Agency from aerial photographs taken 1958. Revisions shown in purple and woodland compiled from aerial photographs taken 1986 and other sources and have been field checked. Map edited 1994. Conflicts may exist between some updated features and previously mapped contours

North American Datum of 1927 (NAD 27). Projection and 10 000-foot ticks : Texas Coordinate System, south central zone (Lambert Conformal Conic)
Blue 1000-meter Universal Transverse Mercator ticks, zone 14

North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software

Fine red dashed lines indicate selected fence lines
