Mapped, edited, and published by the Geological Survey

Control by USGS

Topography from aerial photographs by multiplex methods
Aerial photographs taken 1952. Field check 1954

Polyconic projection. 1927 North American datum
10,000-foot grid based on New York coordinate system, central zone

Unchecked elevations are shown in brown

1000-Meter Universal Transverse Mercator grid, zone 18

Map photoinspected 1976
No major culture or drainage changes observed
