

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1950. Field checked 1951.

Polyconic projection. 10,000-foot grid ticks based on New York coordinate system, east and central zones. 1000-meter Universal Transverse Mercator grid ticks, zone 18, shown in blue 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 2 meters south and 28 meters west as shown by dashed corner ticks.

There may be private inholdings within the boundaries of the National or State reservations shown on this map.

Revisions shown in purple and woodland compiled from aerial photographs taken 1981 and other sources. This information not field checked. Map edited 1982.
