Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Topography from aerial photographs by multiplex methods
Aerial photographs taken 1954. Field check 1956

Polyconic projection. 1927 North American datum
10,000-foot grid based on Tennessee coordinate system

Unchecked elevations are shown in brown

1000-meter Universal Transverse Mercator grid, zone 16

Revisions shown in purple and woodland compiled from aerial photographs taken 1976 and other source data
This information not field checked. Map edited 1979

SCALE 1:24 000

1 0 1 MILE
