

Produced by the United States Geological Survey
Topography compiled 1954. Planimetry derived from imagery taken 1980. Photoinspected using imagery dated 1994; no major culture or drainage changes observed. Survey control current as of 1958. Boundaries verified 1997.

North American Datum of 1927 (NAD 27). Projection and 10 000-foot ticks: Tennessee coordinate system (Lambert conformal conic). 1000-meter Universal Transverse Mercator grid, zone 16.

North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software.

Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours.
