Control by USGS, NOS/NOAA, and USCE

Planimetry in part by photogrammetric methods from aerial photographs taken 1947. Topography by planetable surveys 1952

Polyconic projection. 10,000-foot grid ticks based on Tennessee coordinate system. 1000-meter Universal Transverse Mercator grid, zone 16. 1927 North American Datum

To place on the predicted North American Datum 1983 move the projection lines 6 meters south and 6 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Revisions shown in purple or woodland compiled from aerial photographs taken 1981 and other sources
This information not field checked. Map edited 1983
