Mapped, edited, and published by the Geological Survey

Control by USGS, NOS/NOAA, USCE, and Tennessee Valley Authority

Topography by photogrammetric methods from aerial photographs taken 1951. Field checked 1954

Polyconic projection. 10,000-foot grid ticks based on Tennessee coordinate system
1000-meter Universal Transverse Mercator grid, zone 16
1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 6 meters south and 4 meters west as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Revisions shown in purple and woodland compiled from aerial photographs taken 1981 and other sources
This information not field checked. Map edited 1983
