Topography by photogrammetric methods from aerial photographs taken 1954. Field checked 1957

Polyconic projection. 10,000-foot grid ticks based on Tennessee coordinate system

1000-meter Universal Transverse Mercator grid ticks, zone 16, shown in blue

1927 North American Datum

To place on the predicted North American Datum 1983 move the projection lines 5 meters south and 1 meter east as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

There may be private inholdings within the boundaries of the National or State reservations shown on this map
