

Produced by the United States Geological Survey in cooperation with the North Carolina Department of Environment and Natural Resources
Topography compiled 1966. Planimetry derived from imagery taken 1993 and other sources. Photoinspected using imagery dated 2002; no major culture or drainage changes observed. Survey control current as of 1966. Boundaries, other than corporate, verified 2003
North American Datum of 1927 (NAD 27). Projection and 10 000-foot ticks: North Carolina coordinate system (Lambert conformal conic)
1000-meter Universal Transverse Mercator grid, zone 17S
North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software
Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours
