

Produced by the United States Geological Survey
in cooperation with the North Carolina Department
of Environment and Natural Resources
Topography compiled 1949. Planimetry derived from imagery taken
1974 and other sources. Photospectroscopy using imagery dated 2000;
no major culture or drainage changes observed. Survey control
current as of 1953. Boundaries revised 2002.
Hydrography by U.S. Coast and Geodetic Survey from surveys dated 1875
and other sources.
North American Datum of 1927 (NAD 27). Projection and
10 000-foot ticks. North Carolina coordinate system
(Lambert conformal conic).
1000-meter Universal Transverse Mercator grid, zone 18.
North American Datum of 1983 (NAD 83) is shown by dashed
corner ticks. The values of the shift between NAD 27 and NAD 83
for 7.5-minute intersections are obtainable from National Geodetic
Survey NADCON software.
There may be private inholdings within the boundaries of the
National or State reservations shown on this map.
Information shown in purple may not meet USGS content standards
and may conflict with previously mapped contours.
