

Produced by the United States Geological Survey

Topography compiled 1963. Planimetry derived from imagery taken 1987 and other sources. Photoinspected using imagery dated 2000; no major culture or drainage changes observed. Survey control current as of 1966. Boundaries, other than corporate, verified 2001

North American Datum of 1927 (NAD 27)

(Lambert conformal conic)

10 000-foot ticks: North Carolina coordinate system and

Virginia coordinate system, south zone

1000-meter Universal Transverse Mercator grid, zone 17

North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software

Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours
