

Produced by the United States Geological Survey
in cooperation with the North Carolina Department
of Environment and Natural Resources

Topography compiled 1975 and 1980. Planimetry derived from imagery taken
1977 and other sources. Photointersected using imagery dated 1999;
no major culture or drainage changes observed. Survey control
current as of 1977. Boundaries verified 2002

Selected hydrographic data compiled from NOS charts 12205
and 12206 (1951). This information is not intended for
navigational purposes

North American Datum of 1927 (NAD 27). Projection and
10 000-foot ticks: North Carolina coordinate system
(Lambert conformal conic)

1000-meter Universal Transverse Mercator grid, zone 18

North American Datum of 1983 (NAD 83) is shown by dashed
corner ticks. The values of the shift between NAD 27 and NAD 83
for 7.5-minute intersections are obtainable from National Geodetic
Survey NADCON software
