Topography by photogrammetric methods from aerial photographs taken 1966. Field checked 1966

Polyconic projection. 10,000-foot grid ticks based on Virginia coordinate system, north zone. 1000-meter Universal Transverse Mercator grid ticks, zone 18, shown in blue

1927 North American Datum

To place on the predicted North American Datum 1983 move the projection lines 8 meters south and 24 meters west as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
