GEOLOGICAL SURVEY

1982

Produced by the United States Geological Survey
Compiled from USGS 1:24 000-scale topographic maps dated 1938-1979. Planimetry revised from aerial photographs taken 1975 and other source data. Revised information not field checked. Map edited 1982.

Projection and 10 000-meter grid, zone 17: Universal Transverse Mercator (UTM) and 1983 magnetic declination (M) at center of map. To place on the predicted North American Datum 1983 move the projection lines 8 meters south and 15 meters west. There may be private subdivisions within the boundaries of the National or State reservations shown on this map.
