

This is a detailed topographic map of the Grants, New Mexico area. The map features a grid system with coordinates ranging from 35° 07' 30" N to 35° 15' N and 107° 52' 30" W to 107° 59' 30" W. Key geographical features include the Grants Ridge, West Grants Ridge, and the El Malpais National Conservation Area. The city of Grants is shown with its urban layout, including roads, buildings, and parks. The map also depicts the Rio San Jose, various water bodies, and the Horace Mesa. A prominent red line runs vertically through the center of the map, likely indicating a boundary or a specific survey line. The map includes numerous contour lines and elevation markers, providing a clear view of the terrain's topography.

This map is not a legal land line or ownership document. Public lands are subject to change and leasing, and may have access restrictions; check with local offices. Obtain permission before entering private lands.
