

This topographic map depicts the Cebolla Mesa area, characterized by dense contour lines indicating elevation. Key geographical features include the Rio Grande forming the western boundary, and several large water bodies such as Laguna Redonda, Laguna de Damacio, and Laguna de Frances. The map also shows the Cebolla River and various smaller creeks and arroyos. Notable peaks and ridges are labeled, including Cerro Redondo, Cerro Colorado, Cerro Chivato, and Cerro Aguilera. The map is divided into sections by a grid system, with coordinates ranging from 107° 22' 30" W to 107° 25' 30" W and 39° 04' 00" N to 39° 16' 00" N. A scale bar at the bottom indicates distances in feet (0 to 1500). The map is titled "CEBOLLA MESA" and "RIO GRANDE" in large, bold letters. A legend in the bottom right corner identifies symbols for water, roads, and other features. The map is a detailed representation of the terrain, showing the rugged topography of the region.
