

Mapped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA
Topography from aerial photographs by multiplex methods
and by plane-table surveys 1952. Aerial photographs taken 1947
Polyconic projection. 1927 North American datum
10,000-foot grid based on New Mexico coordinate system,
west zone
East boundary line of Belen Grant and Nicolas Duran
de Chavez Grant, and west boundary line of
Tome Grant are omitted because of insufficient data
1000-meter Universal Transverse Mercator grid ticks,
zone 13, shown in blue
Revisions shown in purple compiled from aerial photographs
taken 1977 and other source data. This information not
field checked. Map edited 1979

To place on the predicted North American Datum 1983
move the projection lines 2 meters south and
52 meters east as shown by dashed corner ticks
