Topography from aerial photographs by photogrammetric methods
Aerial photographs taken 1958. Field check 1960
Selected hydrographic data compiled from U. S. Lake Survey Chart 34
(1959). This information is not intended for navigational purposes
Polyconic projection. 1927 North American datum
10,000-foot grid based on Ohio coordinate system, north zone
1000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue
Fine red dashed lines indicate selected fence and field lines where
generally visible on aerial photographs. This information is unchecked
Entire area lies within the Connecticut Western Reserve. Dotted land
lines established by private subdivision of the Connecticut Western Reserve
Red tint indicates areas in which only landmark buildings are shown
