

Produced by the United States Geological Survey  
Topography compiled 1967. Planimetry derived from imagery taken 1979 and other sources. Photomaps using imagery dated 1996; no major culture or drainage changes observed. PLSS and survey control current as of 1998. Boundaries, other than corporate, revised 1999.  
North American Datum of 1927 (NAD 27). Projection and 10 000-foot ticks: Ohio coordinate system, south zone (Lambert conformal conic).  
1000-meter Universal Transverse Mercator grid, zone 16.  
North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software.  
Area east of the Little Miami River lies within the Virginia Military District. Area west of the Little Miami River lies within the Between the Miamis. Land lines based on the Great Miami River Base. Dotted and lines established by private subdivisions of Symmes Purchase.  
There may be private inholdings within the boundaries of the National or State reservations shown on this map.  
Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours.

**ROAD CLASSIFICATION**

|                                         |                                                    |
|-----------------------------------------|----------------------------------------------------|
| Primary highway<br>hard surface .....   | Light-duty road, hard or<br>improved surface ..... |
| Secondary highway<br>hard surface ..... | Unimproved road .....                              |
| Interstate Route                        | U.S. Route                                         |
| State Route                             |                                                    |
