

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial  
photographs taken 1972. Field checked 1973  
Projection and 10,000-foot grid ticks: Colorado  
coordinate system, north zone (Lambert conformal conic)  
1000-metre Universal Transverse Mercator grid ticks,  
zone 13, shown in blue. 1927 North American datum  
Fine red dashed lines indicate selected fence lines  
Land lines in part are based on cultural development  
and are not reflected in the original land survey

| ROAD CLASSIFICATION             |                                           |
|---------------------------------|-------------------------------------------|
| Primary highway, hard surface   | Light-duty road, hard or improved surface |
| Secondary highway, hard surface | Unimproved road                           |
| Interstate Route                | U. S. Route                               |
|                                 | State Route                               |
