

Mapped, edited, and published by the Geological Survey
Control by USGS and USC&GS
Topography from aerial photographs by multiplex methods
Aerial photographs taken 1952. Field check 1953
Polyconic projection. 1927 North American Datum
10,000-foot grid based on Colorado coordinate system,
south zone
Land lines omitted because of insufficient data. All recovered
corners are shown
All mining features are inactive
1000-meter Universal Transverse Mercator grid ticks,
zone 12, shown in blue
There may be private inholdings within the boundaries
of the National or State reservations shown on this map

To place on the predicted North American Datum 1983
move the projection lines 3 meters north and
56 meters east as shown by dashed corner ticks
