

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1954. Field checked 1966

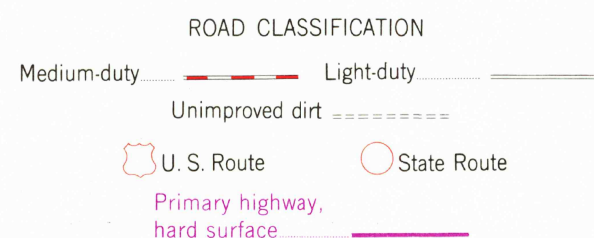

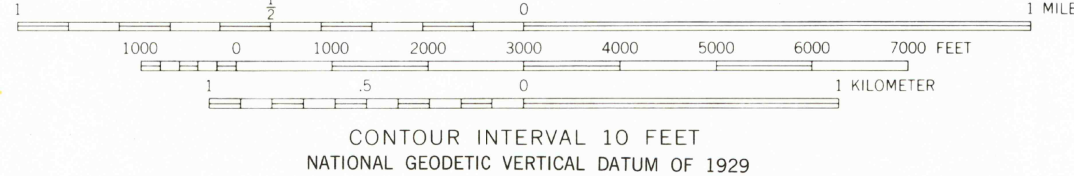

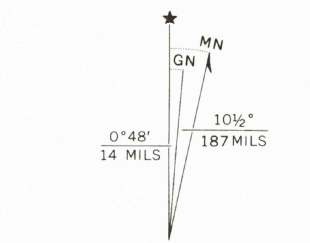

Polyconic projection. 1927 North American Datum
10,000-foot grid based on Colorado coordinate system, south zone
1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue

Fine red dashed lines indicate selected fence lines

To place on the predicted North American Datum 1983 move the projection lines 2 meters north and 44 meters east as shown by dashed corner ticks

Areas covered by light purple pattern are subject to controlled inundation

Revisions shown in purple compiled from aerial photographs taken 1983 and other source data. This information not field checked. Map edited 1984
