

Mapped, edited, and published by the Geological Survey in cooperation with State of Colorado agencies

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1961. Field checked 1963

Polyconic projection. 10,000-foot grid ticks based on Colorado coordinate system, south zone. 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue. 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 2 meters north and 48 meters east as shown by dashed corner ticks

Where omitted, land lines have not been established or are not shown because of insufficient data
