MOUNT SNEFFELS QUADRANGLE
COLORADO
7.5 MINUTE SERIES (TOPOGRAPHIC)

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1965. Field checked 1967

Polyconic projection, 1927 North American Datum

10,000-foot grid based on Colorado coordinate system, south zone

1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue

Fine red dashed lines indicate selected fence lines

Certain land lines are omitted because of insufficient data

To place on the predicted North American Datum 1983 move the projection lines 4 meters north and 55 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map

ROAD CLASSIFICATION
Secondary highway, all weather, Light-duty road, all weather, hard surface
Unimproved road, fair or dry weather
