

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin Control by USGS

Topography by photogrammetric methods from aerial photographs taken 1948-1949 and by planetable surveys 1951

Polycyclic projection. 10,000-foot grid ticks based on Colorado coordinate system, north zone

1000-meter Universal Transverse Mercator grid, zone 13

1927 North American Datum

To place on the predicted North American Datum 1983 move the projection lines 5 meters north and 44 meters east as shown by dashed corner ticks

Dashed land lines indicate approximate locations

There may be private inholdings within the boundaries of the National or State reservations shown on this map
