Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1969. Field checked 1970

Projection and 10,000-foot grid ticks: Colorado coordinate system, south zone (Lambert conformal conic) 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue. 1927 North American Datum

Fine red dashed lines indicate selected fence lines

Certain land lines are omitted because of insufficient data
All recovered corners are shown

To place on the predicted North American Datum 1983 move the projection lines 2 meters north and 46 meters east as shown by dashed corner ticks

Revisions shown in purple compiled from aerial photographs taken 1983 and other source data. This information not field checked. Map edited 1984
