

MANN CREEK SW QUADRANGLE
IDAHO
7.5 MINUTE SERIES (ORTHOPHOTOQUAD)

This is a detailed topographic map of a mountainous region, likely in the Pacific Northwest. The map features a grid with coordinates and labels for various geographical features. The terrain is rugged with numerous peaks and valleys, and a river flows through the center. The town of Weiser is visible in the lower left corner, surrounded by agricultural fields. The map is oriented with North at the top.

Key features and labels include:

- Grid Coordinates:**
 - Vertical (Left): 44°15' N, 17°30' W, 950 000 FEET, 4900, 4901, 4902, 4903, 4905, 4906, 4907, 4908, 4909, 4910, 4911, 4912, 4913 00000 N.
 - Vertical (Right): 4913, 4912, 4911, 980 000 FEET, 4910, 4909, 4908, 4907, 4906, 4905, 17°30" W, 4903, 4902, 4901, 4900.
- Geographical Features:**
 - JENKINS CREEK:** Labeled vertically on the left side of the map.
 - SAGEBRUSH HILL:** Labeled in the lower right quadrant.
 - WEISER:** Labeled in the bottom left corner, near a town.
 - Other Labels:** "OLD FERRY SE" and "951" are also visible.
- Topography:** The map shows a complex mountain range with many peaks and valleys. A river flows through the center, and a town is located in the lower left.
