Mapped, edited, and published by the Geological Survey
Control by USGS and USC&GS
Topography by photogrammetric methods from aerial
photographs taken 1957. Field checked 1964
Polyconic projection. 1927 North American datum
10,000-foot grid based on Idaho coordinate system,
central zone
1000-meter Universal Transverse Mercator grid ticks,
zone 11, shown in blue
To place on the predicted North American Datum 1983
move the projection lines 14 meters north and
73 meters east as shown by dashed corner ticks
There may be private inholdings within the boundaries of
the National or State reservations shown on this map
Where omitted, land lines have not been established
