This is a detailed topographic map of the Salmon River region in Oregon. The map features a grid with coordinates R 19 E, T 21 N and R 20 E, T 20 N. The Salmon River is the central waterway, with numerous tributaries including Deep Creek, Pepper Creek, and the Snake River. Mountain peaks are prominent, with Swan Peak (9416') and Lake Mtn (9274') being notable. The map also shows various creeks, lakes, and towns such as Leesburg and Blackbird Townsite. The terrain is rugged, with many peaks and valleys. The map is oriented with North at the top.

Mapped, edited, and published by the Geological Survey
Control by USGS and USC&GS
Topography from aerial photographs by multiplex methods
Aerial photographs taken 1948. Field check 1950
Polyconic projection. 1927 North American datum
10,000-foot grid based on Idaho coordinate system,
central zone
Unchecked elevations are shown in brown
