

This is a detailed topographic map of the Wenatchee National Forest area in Washington. The map features the Wenatchee River flowing through the center, with several large lakes including Wenatchee Lake, Nason Lake, and Lake Augusta. Numerous peaks are labeled, such as Dirtyface Peak, Nason Peak, and Signal Peak. The map also shows a complex network of creeks and canyons, including the Chiwaukum River and various canyons like Stephens Canyon and Derby Canyon. The terrain is depicted with brown contour lines, and the map includes a grid with latitude and longitude coordinates. The title 'WENATCHEE NATIONAL FOREST' is prominently displayed in the center.
