

This is a detailed topographic map of the Granite Falls area in Oregon. The map features the Pilchuck River flowing through the center, with its main fork and several tributaries like the South Fork, Millard Creek, and Carpenter Creek. Granite Falls Reservoir is a prominent feature in the lower-left quadrant. The town of Granite Falls is situated in the center, with various landmarks such as the Granite Falls Reservoir, Granite Falls Park, and the Granite Falls Cemetery. The map includes contour lines indicating elevation, with major peaks like Iron Mountain (1000 feet) and Worthy Cr. (1200 feet). A grid system is overlaid on the map, with coordinates ranging from 48° 07' 30" N to 48° 00' 00" N and 122° 00' 00" W to 121° 52' 00" W. The map also shows various roads, trails, and other geographical features like lakes, ponds, and creeks. A scale bar at the bottom indicates distances in feet and miles. The map is titled "Granite Falls, Oregon" and includes a legend for symbols used throughout the map.
