

HAAS QUADRANGLE
WASHINGTON
MINUTE SERIES (TOPOGRAPHIC)

This is a detailed topographic map of the Snake River area in Adams and Franklin Counties, Idaho. The map features the Snake River flowing through the center, with numerous tributaries and ranches labeled. Key locations include Washtucna, McAdam, Sperry, and various farms like Tuckers Farm and Baker Farm. The map is overlaid with a grid of red lines and numbers, and includes a scale bar at the bottom.
