

This is a detailed topographic map of the Snake River National Monument area in Idaho. The map features a grid of latitude and longitude coordinates, with latitude ranging from 46° 45' N to 46° 30' N and longitude from 122° 30' W to 122° 15' W. The map shows the Snake River flowing through the center, with numerous tributaries and creeks. Key geographical features include Bald Mtn, Cougar Mtn, and the Snake River National Monument itself. Towns and settlements shown include Teton, Jackson, and various smaller communities like Ladd Mtn and Stahl Mtn. The map also displays elevation contours, roads, and other infrastructure. The title 'SNAKE RIVER NATIONAL MONUMENT' is prominently displayed across the center. The map is oriented with North at the top.
