

This is a detailed topographic map of the Moses Lake area in Washington. The map features a grid with coordinates ranging from 119°00' to 119°47'30" West and 47°30' to 47°00' North. Key geographical features include the Beezley Hills to the west, the North Columbia Basin State Wildlife Recreation Area to the north, and the South Columbia Basin State Wildlife Recreation Area to the south. The Moses Lake River and its tributaries, such as the Rock Creek and Snake River, are prominently shown. Other notable features include the Larson Air Force Base, the Moses Lake State Park, and the Moses Lake Reservoir. The map also depicts various towns and cities, including Ephrata, Quincy, and Moses Lake, as well as numerous smaller lakes, creeks, and topographic details like contour lines and elevation markers.

- Contours and elevations in meters
- Highways, roads and other manmade structures
- Water features
- Woodland areas
- Geographic names

1982

Compiled from USGS 1:24 000 and 1:62 500-scale topographic maps dated 1956-1978. Planimetry revised from aerial photographs taken 1978 and other source data. Revised information not field checked. Map edited 1982

Projection and 10 000-meter grid, zone 11.
Universal Transverse Mercator
25 000-foot grid ticks based on Washington coordinate system,
south and north zone. 1927 North American Datum
To place on the predicted North American Datum 1983
move the projection lines 19 meters north and 87 meters east
There may be private inholdings within the boundaries of
the National or State reservations shown on this map

THIS MAP COMPLIES WITH NATIONAL MAP ACCURACY STANDARDS

Primary highway, hard surface	
Secondary highway, hard surface	
Light duty road, principal street, hard or improved surface	
Light road or street, trail	
Water marker: Interstate, U.S. State	
Unimproved, standard gage, narrow gage	
Unimproved, overpass, underpass	
Canal: road, railroad	
Small up lift area; locality, elevation	
Port: landing field, landing strip	
Artificial boundary	
Natural boundary	
County boundary	
National or State reservation boundary	
and grant boundary	
U.S. public lands survey: range, township; section	
Area, township; section line; protruded	
Over transition line; pipeline	
City, town, local	
Settlement: building	
Windmill; water well, spring	
Man-made; ditch or cave; mine, quarry; gravel pit	
Unimproved; picnic area; U.S. location monument	
Off; ditch dwelling	
Intersected surface: strip mine, levee, dam	
Contours: dense, intermediate, supplementary	
Hydrographic contour: dense, intermediate	
Marsh, lake; perennial; intermittent	
Grassland, large and small; falls, large and small	
Area to be submerged; marsh, swamp	
Area subject to controlled inundation; woodland	
Marsh; mangrove	
Swamp; vineyard
