Topography from aerial photographs by multiplex methods
Aerial photographs taken 1954. Field check 1956
Polyconic projection. 1927 North American datum
10,000-foot grid based on Washington coordinate system, south zone
1000-meter Universal Transverse Mercator grid ticks,
zone 10, shown in blue
To place on the predicted North American Datum 1983
move the projection lines 22 meters north and
93 meters east as shown by dashed corner ticks
Revisions shown in purple compiled from aerial photographs
taken 1968. This information not field checked
