

Mapped, edited, and published by the Geological Survey and the National Ocean Survey
Control by USGS and NOS/NOAA

Orthophotomaps prepared by the Geological Survey from aerial photographs taken April 18, 1974. Topography by planimetry surveys 1957; revised from aerial photographs taken 1974. Field checked 1975. Map edited 1979. Supersedes topographic map dated 1957.

Bathymetry compiled by the National Ocean Survey from tide-coordinated hydrographic surveys. Soundings compiled from NOS 11509 and 11512. This information is not intended for navigational purposes.

Mean low water (dotted) line and mean high water (solid) line compiled by NOS from tide-coordinated aerial photographs by photomaps.

Apparent shoreline (outer edge of vegetation) shown by photomaps.

Projection and 10,000-foot grid ticks: Georgia coordinate system, east zone (transverse Mercator). 1000-meter Universal Transverse Mercator grid, zone 17 1927 North American datum.

To place on the predicted North American Datum 1983 move the projection lines 17 meters south and 17 meters west as shown by dashed corner ticks.

There may be private inholdings within the boundaries of the National and State reservations shown on this map.
