Control by USGS, NOS/NOAA, USCE, Georgia Department of Transportation and Georgia Geodetic Survey

Topography by photogrammetric methods from aerial photographs taken 1956. Field checked 1963. Revised from aerial photographs taken 1988. Field checked 1991. Map edited 1992

Projection and 10,000-foot grid ticks: Georgia coordinate system, west zone (transverse Mercator)

1000-meter Universal Transverse Mercator grid, zone 16 1927 North American Datum

The difference between 1927 North American Datum and North American Datum of 1983 (NAD 83) for 7.5-minute intersections is given in USGS Bulletin 1875. The NAD 83 is shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Gray tint indicates areas in which only landmark buildings are shown
