

Mapped, edited, and published by the Geological Survey  
Control by USGS and USC&GS

Topography by photogrammetric methods from aerial  
photographs taken 1968. Field checked 1969

Polyconic projection. 1927 North American datum  
10,000-foot grid based on Utah coordinate system, north zone  
1000-meter Universal Transverse Mercator grid ticks,  
zone 12, shown in blue

Fine red dashed lines indicate selected fence lines  
Certain land lines are omitted because of insufficient data

To place on the predicted North American Datum 1983  
move the projection lines 11 meters north and  
64 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of  
the National or State reservations shown on this map
