

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial  
photographs taken 1973. Orthophotomosaic from aerial  
photographs taken 1973. Field checked 1973  
Projection and 10,000-foot grid ticks: Utah  
coordinate system, central zone (Lambert conformal conic)  
1000-metre Universal Transverse Mercator grid ticks,  
zone 12, shown in blue. 1927 North American datum  
Where omitted, land lines have not been established

| ROAD CLASSIFICATION                |                                              |
|------------------------------------|----------------------------------------------|
| Primary highway,<br>hard surface   | Light duty road, hard or<br>improved surface |
| Secondary highway,<br>hard surface | Unimproved road                              |
| Interstate Route                   | U. S. Route                                  |
|                                    | State Route                                  |
